Design and Construction Features

- Well suited for use in any treatment area to hold supplies and instruments.
- Designed with cleanliness in mind—all components have safety edges and are free of bacteria gathering crevices.
- All type 304 stainless steel.
- Flat-top work surface, with wire ledge on three sides.
- Pull-out tray with recessed handle and stop—for increased working surface.
- Open shelf located underneath pull-out tray.
- Two large easy-glide pull-out drawers with heavy-duty pull flange and positive stops.
- Four swivel chrome-plated 5" (127mm) casters—two with brake.
- Side-mounted disposal container.
