## Stainless Steel Countertops

### MODELS:

- CTC\*-SQ       CTW\*-SQ
- CTC\*-BM       CTW\*-BM

\* See chart on back page for complete model numbers.

### Countertops

- Constructed of 16 gauge type 304 stainless steel with #4 finish.
- Countertops available with marine-grade plywood or stainless steel hat channels.
- Fabricated according to final drawings reflecting dimensions and details of field conditions.
- Mechanical hairline field joints when required. Field welding and polishing of field joints available at an added charge.
- All countertops are 30" (762mm) front-to-back and include 4½" x 1" (114 x 25mm) backsplash with 45° return and z-clip.
- All horizontal and vertical corners on countertops and sinks are provided with a seamless sanitary cove or radius.
- Standard front edges: Square or Box Marine, unless otherwise specified.

### Sink Bowls

- Fabricated with same material as countertops and meet specified dimensions. Features ⅝" radius corners and basket-type waste drains.
- Fabricated sink bowls available in most any size and depth, with single or multiple compartments.
- Standard deep-drawn sinks—18 gauge type 304—are available to reduce costs and lead time.

### Other Options and Accessories\*

- Drain troughs
- Finishing of the back side of exposed back or end splashes
- L-shaped countertops\*\*
- U-shaped countertops\*\*
- Cup-sinks
- Provisions to mount fume hoods
- Pass-through openings

\* Consult factory for further information.

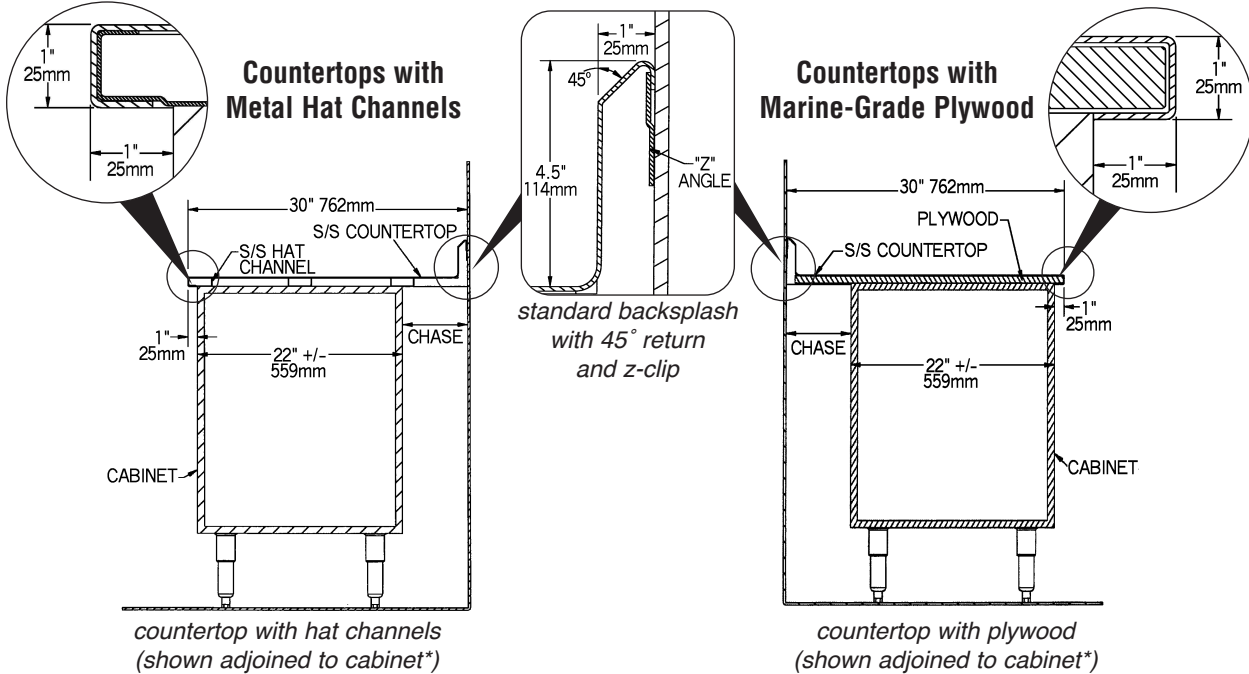

\*\* Corners are mitered, factory-welded. Max. size without field joint provisions is 96" x 96" to fit into standard trailer for ground shipment.
