Design and Construction Features

- Instrument tables provide an all-stainless work system for use as back tables in the O.R. suite during surgery, or as mobile work stations for any department.
- Heavy gauge type 304 stainless steel top surface, undershelves, and legs.
- Tabletop edges are safety hemmed.
- Tubular 1" (25mm)-diameter legs are used to house the easy-swivel casters for mobility.
- No bacteria-gathering cracks or crevices.
- Available with or without safety hemmed undershelves.
