Promoting Safer Workplaces

REOPEN SAFELY... EAGLE SAFETY SHIELDS CAN HELP

Eagle Safety Shields add another layer of protection to help maintain social distancing and provide a physical barrier to protect both staff and visitors.

Constructed of durable plexiglass, protective shields come in a variety of styles, sizes and installation options.

Our wide range of configurations ensure that each area of your workplace, from offices, lobbies, gathering spaces, and conference rooms are properly retrofitted to provide safe and secure protection.

REOPEN SAFELY... EAGLE SAFETY SHIELDS CAN HELP

- **Help maintain social distancing**
- **Provide a physical barrier to protect staff & visitors**
- **Constructed of durable plexiglass**
- **A variety of styles, sizes and installation options**

The Eagle Advantage™ begins right here in our state of the art manufacturing facility - with 14 acres under one roof, where the most comprehensive broadline product offering in the industry takes shape. This all-inclusive design and production capability offers distinct advantages to our customers. Streamlined ordering and shipping substantially reduce freight, receiving, installation and administrative costs.

Supporting it all is a framework of highly responsive customer service representatives, the most innovative, versatile and durable equipment available on the market today, a fleet of company-owned trucks, plus amply stocked distribution centers in strategic locations nationwide - which guarantees product availability and delivery.

Together, it adds up to product excellence enhanced by measurable cost savings and value. We call it The Eagle Advantage™ and you can profit from it.
