Specification Sheet

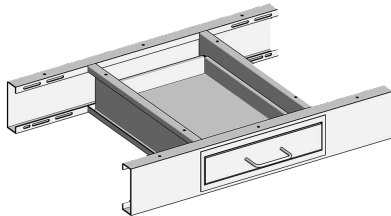

Short Form Specifications

Knee Space Apron Kits: Type 304 stainless steel. Available in 24" through 48" width, 22" depth, and 5" high apron. Items with drawers feature one 3" drawer assembly with 4" wire pull and full extension ball bearing slides.

Knee Space Filler Panels: Type 304 stainless steel. Available in 35" standing or 29 1/2" sitting height and 24" through 36" widths. Panels are typically used to close off chase access where knee space has been provided between cabinets.

Toe Fillers: Type 304 stainless steel. Available in 35" standing, 29 1/2" sitting, or 84" tall cabinet heights with 3" to 12" width. Provided with a 1" flange to secure to cabinet. Typically used to fill space between two cabinets.

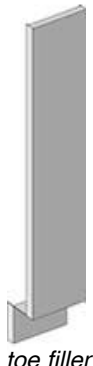

Toe Scribes: Type 304 stainless steel. Available in 35" standing, 29 1/2" sitting, or 84" tall cabinet heights with 1" to 3" width. Provided with a 1" flange to secure to cabinet. Typically used to fill space between a cabinet and an irregular surface. May be cut to follow irregular surfaces during install.
