# SPACE Planning

Since joining the Revit® community, Eagle has been working diligently to create our Revit® content library of catalog items.

You can access Eagle's Revit® library through our website—[www.eaglegrp.com](http://www.eaglegrp.com)—which features a link on the homepage which takes you directly to our offering in the KCL library.

## Contact us...

If you are interested in a model that is not yet available via our website, please contact us via email at: [revit@eaglegrp.com](mailto:revit@eaglegrp.com)

Please include the following information with your request, if applicable:

- Contact information
- Project name
- Requested timeline
- Deliverable media
- Plans and/or specifications related
- Special considerations
- Revit version (2011-2018 available)
- Custom or standard (include Model #)
