Freestanding Gowning Racks with Hanger Rail

MODELS:

❑ ***S2448**** ❑ ***S2472****

❑ ***S2460**** ❑ ***S2484****

** See charts on back for complete model numbers.*

Short Form Specifications

1½″ welded tube frame is shipped knocked-down and bolted together with cross members. Brushed 300 series stainless steel. Available with or without keeper bar that secures hangers to hanger rail, preventing hanger removal. Nylon dissipative feet standard. Hanger slots are standard on 2½″ centers, with other spacing available. Hangers not included.

single gowning rack

dual gowning rack

cantilever gowning rack

(hangers shown above not included)

Design and Construction Features

- 14 gauge hanger rails with hanger slots spaced on standard 2½″ (64mm) centers. Slots designed to retain gowns in a fixed position by allowing the hangers (not included) to swing front-to-back but not left-to-right, while the shape facilitates a smoother laminar flow than many square hanger rails.
- Vertical supports are constructed of heavy gauge type 304 stainless steel 1½″ (38mm) square tubing, fully welded, ground and polished to its original finish. Each unit is supplied with four adjustable feet that are constructed to dissipate a static charge.
- Horizontal supports are bolted to vertical uprights using stainless steel bolts. Constructed of 1″ (25mm) O.D. type 304 stainless steel tubing with heavy gauge stainless steel backing plate.
- Hanger rail is constructed of heavy gauge type 304 stainless steel with hanger slots located every 2½″ (64mm) along the length of the rail. Other spacing available (see back page).
- Standard 2″ (51mm)-diameter, nylon dissipative feet with ½″ (13mm) adjustability. Optional foot plates available to affix gowning rack to the floor.
- Available with a Keeper Bar option to hinder removal of hangers and prevent gowns from falling onto floor.
- Type 304 series stainless steel with #4 satin finish.
- Single, dual, and cantilever styles available.
- Shipped knocked-down, saving in freight costs and damages.

Options / Accessories

❑ Hangers
❑ Foot plates
❑ Custom hanger slot spacing
